Dear Jeffrey Davis,

On behalf of the Safe and Clean Neighborhood Fund Advisory Committee, I am pleased to inform you that your application for a Safe and Clean Neighborhood Fund grant has been awarded in the amount of \$27,500. Funds are to be used to purchase solar speed signs, solar raid flashing crosswalk signs, solar-powered school crossing signs, installation and supplies, materials, and services according to your proposed budget.

In order to verify your grant acceptance, I need your tax identification number, a W9 form for your organization, and a signed contract. I will write up a contract for your project and review the necessary reimbursement process with you prior to signing. **No money is permitted to be spent before the contract is signed.** Please contact me to schedule a time to review and sign the contract within 30 days of receipt of this letter.

You are to be commended for your work and the impact your proposal will have in your neighborhood. Thank you for your help in making the City of Cincinnati a safe and clean place for everyone.

Sincerely,

Ania Cosby
